New Applicants to CCS

If you are a new family applying to Cloverdale Catholic School will need to fill out the following forms online:

1. An application form- if you have any trouble submitting because you are required to submit information that you do not have, feel free to upload a blank page or enter 000 for example if need be so that you can submit your application.
2. The \$50 application fee can be withdrawn from your account if you fill out the Occasional Fees EFT form. If you would prefer not to do this please bring a cheque or cash to the school office.
3. Form A- it seems that families have been able to upload the supporting documents but not the Form A itself, if this is your experience please email the school office and I will email a Form A to you. This form is a government-required form and is necessary for admission to our school.
4. A Parish subsidy form- this is necessary for both Catholic and Non-Catholic families.
5. Once we have received all of the above information, we will call you to set up an interview for admission.

If you have any trouble with any of these forms, please email me and let me know which forms you are having trouble with and I will email that form to you to fill in and return to the office.
