NON- INSTRUCTIONAL DAY: 3 Way Conferences

- **Missions Week “We Can” for Burkina Faso Canada**

Next week is Missions Week! This year we will be dedicating our efforts to once again supporting Burkina Faso Canada. BFC is currently building a school, and we are excited to be able to help with this effort. The students will watch a presentation and video next week to inform them of the project and let them know how they can help.

Intermediate Grades: “We can” pray. Intermediate classes will be making rosary bracelets next week to sell the following week.

Whole School: To help Burkina Faso with the building of their school **“We can”** build towers of coins. Students are encouraged to earn the coins from parents by doing small jobs. For example - organize shoes, dust windows, take out recycling etc. (not just going into wallets and grabbing

**Please remember to perform daily health screenings prior to sending your child(ren) to school. Any students coming to school with any symptoms will be sent home immediately.

coins). The primary/intermediate class that builds the tallest tower will "win" an extra PE block with Mr. Heah/Ms. Paraiso

- Please ensure that you have signed up for the 3-way conferences that will be happening next week. All students are expected to take part in this as part of Communicating Student Learning. [Online sign up page](#)
- A reminder that we are a nut aware school and no nut products are allowed at school. Please be extra diligent at Halloween time that your child(ren) are not bringing any nut candies to school (Reese, Snickers, Oh Henry...)
- We will be collecting extra Halloween candy for Agape Street Ministry. If you have extra candy to donate, please have your child bring it to the school office for collection.
- Please [click here](#) to read Work Bee Routines. *Please note that there are no more spots available for the upcoming Workbee.*
- Extra-Curricular pick up: Students who are involved in after school extra-curricular activities (ex-volleyball) must be picked up at the parish center at 3:45pm (3:15pm on Wednesdays). Any students that are not picked up on time will be brought back to the school to be picked up. For safety reasons, we do not want students unsupervised waiting for a ride.
- As you have heard, the PHO and Fraser Health have expressed the importance of wearing masks in public spaces, given the rise of COVID 19 cases. Although it is not a mandate, I would like to ask that if you are picking up your child from the pick-up area and cannot maintain a 2 meter distance, you please wear a mask. Wearing a mask helps to keep our students and parents safe. Thank you for your cooperation and understanding.
- Ongoing reminder- Please ensure that your child is in proper uniform (Top Marks items only).

Thank you for your continued support. Have a wonderful weekend!

God Bless,

C. Heah
Principal
