Re-Registration is Now Open!

Every year that your child continues at Cloverdale Catholic School you must re-register your child. Re-registration will take place online this year. This was meant to be simple for all of you but there are a few flaws. The re-registration form is not pre-populated as we had hoped so you will have to enter a bit of information. Any box that has an asterisk beside it needs to be filled in in order for you to submit your registration. If this box is not applicable to you make up a date or upload a blank page in order to submit your registration.

As a returning family you are required to submit the following:

1. The Re-Registration Form
2. The Parish Subsidy Form-this is now required for every family whether they are Catholic or not.
3. If you check yes to “we have an EFT form on file”, we will withdraw this amount from your account. If you have changed accounts, please either upload or send in a new void cheque. If you have not filled out an EFT form and you wish to it is the Occasional Fees EFT form that you will need to submit. If you wish to send in cash or cheque for your \$50 fee please put it in an envelope or zip lock clearly marked with your family name and “reg. fee”.
4. A PAD tuition form – as tuition rates have increased this year, we do need you to fill this out again. If all the account information is the same as last year, you will only need to submit this form. If your account information has changed, please send in a void cheque with your oldest child clearly marked with your family name and “PAD.” There is no button available to upload a void cheque. Sorry.
5. Form A- if you have moved since you last filled out a Form A please fill out that and supply only the new utility bill as supporting documentation.
6. If you have another child coming into kindergarten you will also be required to fill out an application form with all the supporting documentation.

If you have any trouble with any of these forms, please email me and let me know which forms you are having trouble with and I will email that form to you to fill in and return to the office
