Friday, October 2

- **Uniforms:**
 - Please note that after Thanksgiving weekend, boys shorts will no longer be allowed. Please ensure that you have proper Top Marks pants in time for October 13.
 - A reminder that students should have their school sweaters with them at school, and must have them for school masses and assemblies.
 - The updated Parent Handbook, including updates to the uniform and appearance policy are online on the school website. Please take note of the updates that include hairstyles (no colour, no designs shaved into hair, neat and tidy hairstyles, no extreme haircuts). Discretion is left to the administration.
- Please bring outstanding PAD forms to school by Monday at 12:00pm.
- Orange Shirt Day is an event, started in 2013, designed to educate people and promote awareness in Canada about the Indian residential school system and the impact it has had on Indigenous communities for over a century. It is an opportunity for Indigenous peoples, local governments, schools and communities to come together in a spirit of reconciliation and hope for generations of children to come. Students are invited to wear an orange shirt on this day. Teachers will be doing activities in the classroom with the students to educate and bring awareness around residential schools, the impact they had on indigenous communities, and how our Church is moving forward with reconciliation.

****Please remember to perform daily health screenings prior to sending your child(ren) to school. Any students coming to school with any symptoms will be sent home immediately.**

- Cross Country starts next week. Please feel free to watch from the fence but remember that parents cannot enter the school property. Make sure that your child has the proper attire to run in the rain!
- All athletic information can be found on the PE page on the school website.
- Thank you to all of our families who brought a donation for Terry Fox day. You raised \$396.50!
- Thank you to all of our families that brought a non-perishable food item for mass. We will be having our bins out every Wednesday morning for food collection, with all of the food going to support the St. Vincent the Paul food bank. If you would like to donate, but don't have a food item, they are also accepting loonies or toonies.
- **Walkathon Update:** given the current situation, the decision has been made to have walkathon in Spring. Our PFG has organized some fundraising ideas that they have posted to the school's Facebook page. I will include this information in an upcoming mailout, once details are finalized.

Thank you for your continued support. Have a wonderful weekend!

God Bless,

C. Heah
Principal
