Learn more about the newest school in Surrey**

St. John Paul II Academy is a new Catholic High School beginning its third year of operation at our current location: The Star of the Sea Parish Centre. We have 48 students in Grade 8, 9, and 10 and are enthusiastically looking forward to another wonderful school year with limitless possibilities to overcome the challenges surrounding the current pandemic.

If you are looking for a high school that provides small classes in a safe and disciplined environment enabling your child to develop to their full potential and a school that provides an atmosphere permeated with Gospel values, then St. John Paul II Academy is the right choice for you and your family.

A strong bursary program has been put in place to assist families that may require financial assistance for tuition support.
